NOTES/COMMENTS:

RECOMMENDATION:

That the City Council approves a bid award to Geneva Rock in the amount of \$235,389.50 for the improvement of Sunset Drive, including trails and storm drain.

BACKGROUND:

UDOT has recently added a traffic light at Sunset Drive and Cory Wride Memorial Highway because of increased traffic at that intersection, due to the opening of Black Ridge Elementary school. As part of that project, UDOT has required Eagle Mountain to improve the road intersection to accommodate the new traffic light. Improvements will include crosswalks on both Cory Wride and Sunset Drive, extension of the trail, installation of a storm drain, and installation of a detention pond. The project as bid does not include the paving. That work will be done in-house by City staff. A completion deadline of October 20 is included in this contract. The remaining budget includes materials for asphalt to be completed by the City.
